INSTRUCTIONS:

Note: Failure to follow these instructions will disqualify your entire quotation.

- Do not alter the contents of this form in any way.
- The use of this RFQ is **mandatory** to minimize errors or omissions of the required mandatory provisions. In case of any changes, bidders must use or refer to the latest version of the RFQ, except when the latest version of the RFQ **only** pertains to deadline extension. In case a prospective supplier/service provider submits a filled-out RFQ with a supporting document (i.e., a price quotation in a different format), both documents shall be considered unless there will be discrepancies. In this case, provisions in the RFQ shall prevail.
- All mandatory technical specifications must be complied with. Failure to comply with the mandatory requirements shall render the quotation ineligible/disqualified.
- Quotations may be submitted through password protected electronic mail at supply.fo11@dswd.gov.ph.
- Quotations, including documentary requirements, received after the deadline shall not be accepted. For quotations submitted via electronic mail, the date and time of receipt indicated in the email shall be considered.

BID EVALUATION:

The BAC, after the opening of bids, shall immediately conduct a detailed evaluation of all bids using non-discretionary criteria in considering the following:

- Completeness of the bid. Unless the Instructions to Bidders specifically allow partial bids, bids not addressing or providing all of the required items in the Bidding Documents including, where applicable, bill of quantities, shall be considered non-responsive and, thus, automatically disqualified. In this regard, where a required item is provided, but no price is indicated, the same shall be considered as non-responsive, but specifying a zero (0) or a dash (-) for the said item would mean that it is being offered for free to the Government, except those required by law or regulations to be provided for;
- Arithmetical corrections. Consider computational errors and omissions to enable proper comparison of all eligible bids. It may also consider bid modifications if expressly allowed in the Bidding Documents. Any adjustment shall be calculated in monetary terms to determine the calculated prices.
- If a Supplier refuses to accept the correction, his quotation will be rejected. A letter or waiver will be sent to the concerned bidder.

TERMS AND CONDITIONS:

1. Bidders shall provide correct and accurate information required in this form.
2. Any interlineation, erasure, or overwriting shall be valid only if the bidder or any of its duly authorized representative/s countersigns it.
3. Price quotation/s shall be valid for a period of **forty-five (45) calendar days** reckoned from the deadline of submission.
4. Price quotation/s, to be denominated in Philippine peso, shall include all taxes, duties, and/or levies payable.
5. Quotations exceeding the Approved Budget for the Contract shall be rejected.
6. In case two or more bidders are determined to have submitted the Lowest Calculated Quotation/Lowest Calculated and Responsive Quotation, the DSWD FO XI shall adopt and employ "Toss Coin" or "draw lots" as the tie-breaking method to determine with finality the single winning provider in accordance with GPPB Circular 06-2005.
7. The contract shall be awarded to the bidder with the lowest quotation which complies with the technical specifications, requirements and other terms and conditions stated herein.
8. The item/s shall be delivered according to the accepted offer of the bidder and must be compliant to the Procuring Entity's Specifications/Terms of Reference.
9. Item/s delivered shall be inspected at the time and date in the delivery schedule of the DSWD FO XI. The delivery of the item/s shall be acknowledged upon the delivery to confirm the compliance with the technical specifications.
10. Delivery shall be 30 calendar days from the receipt of the Contract/Purchase order. (for Services please see Annex A for the Duration of Contract; for Advocacy Materials N/A calendar days upon receipt of approved final lay-out)
11. Liquidated damages equivalent to one-tenth of one percent (0.1%) of the value of the goods not delivered within the prescribed delivery period shall be imposed per day of delay. The DSWD FO XI may terminate the contract once the cumulative sum of liquidated damages reaches ten percent (10%) of the consideration of the contract, without prejudice to other courses of action and remedies open to it.
12. If the supplier/service provider withdraws its quotation during the validity period, withdraw and/or refuse to accept the award of a contract when and if awarded, the supplier(s)/service provider(s) shall be suspended for one (1) year or disqualified from participating in the competitive bidding process of DSWD for the same period. If the supplier/service provider fails to deliver the required items/product within the delivery period, the Purchase Order/Contract shall, pursuant to a request made prior the delay, be extended for maximum period of fifteen (15) calendar days with imposition of liquidated damages. Thereafter, if the supplier/service provider has not completed delivery within the extension period granted, the subject Purchase Order/Contract shall be terminated if such failure or delay amounts to at least ten percent (10%) of the contract price. The Guidelines on Termination of Contract shall be observed.
13. Department of Social Welfare and Development, Field Office XI reserves the right to accept or reject any and all bids, to annul the bidding process, and to reject all bids at any time prior to contract award, without thereby incurring any liability to the affected bidder or bidders.
14. Supplier/service provider shall guarantee that their deliveries be free from defects. Any defective item(s)/product(s), therefore that may be discovered by the End-User within three (3) months after acceptance of the same, shall be replaced by the supplier/service provider within seven (7) calendar days upon receipt of a written notice to that affect.
